LIVESTOCK SHOW OPENS JAN. 12

15th Annual Show Will Be Largest

MAKING PLANS for the 15th annual Junior Livestock Show are Ed Dwyer, Cristler Crain, John Brazzil, Duane Howard, Ed Wieck and Richmond Hale. The show begins Jan. 12 and will conclude Jan. 13 with a sale.

Randall County's 15th Annual Junior Livestock Show will be held Jan. 12-13 in the new Livestock Building for the first time and County Agent John Brazzil expects this show to be the largest and best in the history of the show.

The Junior Livestock Show is a combination of a show and sale for Future Farmers and 4-H Club members.

The show begins Friday afternoon at 1:30 with judging of dairy heifers. Other judging Friday will be beef heifers at 2:30 and horses at 3:30.

Swine judging starts the second day at 9 a.m., then at one p.m. lambs will be judged, while steers will be paraded at 2:30 p.m. The sale begins at 6:30 and more than 175 animals will have been judged.

Randall County boys and girls who are members of the 4-H clubs and FFA will be trying to win blue ribbons, top prize money and recognition for their past year of working with their animals.

Expected to be entered are 30 well-groomed and fat steers, 50 fat lambs, 80 top hogs, about 20 quarter horses and other horses in the pony classes, eight dairy heifers and a few beef heifers.

Larry Tackitt, manager of the Taylor-Evans store in Happy and a former agriculture teacher at Happy, will judge the steers, lambs and hogs this year. Judges for the horses and breeding classes of cattle have not been announced at this time.

Over 300 people from Canyon, Amarillo, Happy, Wayside and Randall County have joined the Junior Livestock Association to support the show. It is estimated to cost \$1,000 to put on the show. This includes expenses for judges, ribbons, straw, building materials and other supplies needed to put on a first-class show and membership pay this cost.

All of the committeemen, which number over 100, work for the show at their own expense and do not receive a salary.

Richmond Hales, long-time dairyman from Canyon is the president of the Randall County

Junior Livestock Association. Hales was at one time a 4-H club member who showed in the early Randall County shows. He will be assisted by J. I. Fletcher, vice-president, and Duane Howard, another former junior showman as secretary-treasurer. Serving with these officers on the executive committee are Edward Wieck and J. O. Parker.

Edward Wieck, Umbarger farmer is the general superintendent of the show and he will be working to see that all runs smoothly and on time.

Twenty-five directors from all parts of Canyon and Randall County serve as a board of directors.

Buddy Taylor and his committee of six men will be working to insure that a good number of buyers will attend the sale on Saturday evening. He will be expecting to see some good prices paid for the livestock as they are sold.

T. A. Black and his committee of 18 salesmen have been working for about a month to sell memberships to raise enough money to adequately care for all show expenses, and Christler Crain and his grounds committee of 11 men are as busy as cranberry merchants planning and building the racks, arenas, pens, and stalls for the show and sale.

Joe Gibson, Lee Foster, and (Continued on page 2)

MARCH OF DIMES campaign is being conducted during the month of January in Canyon and local chairman for the MOD is Wayne Wirt who is showing Gary Shell how one of the collectors is operated.

March of Dimes Centers Drive on Three Diseases

March of Dimes campaign is back again and during the long history of this worthy drive, dimes have discovered a method of preventing polio and now the MOD is centering its aims on birth defects and arthritis.

The MOD drive will continue through January and will be concluded with a Mother's March.

said local MOD chairman Wayne Wirt.

The National Foundation for Infantile Paralysis was founded in 1938 during a time of confusion among scientists as to what polio was. It took 20 years of research and 20 years of contributions by Americans to discover the Salk and Sabin vaccines.

Now, the Foundation is taking aims at birth defects and arthritis in broadening their fields after polio has been defeated. The Foundation reports birth defects are the most important unmet childhood medical problem of today, and only accidents cause more crippling in children.

In a booklet, the Foundation reports one of every 16 live infants in the United States has a birth defect, meaning 250,000 babies born each year are afflicted with significant birth defects. This means about 700 babies born each day have some kind of birth defects.

Through medical care, scientific research and professional education, the Foundation hopes to check birth defects as they have polio.

The other field the Foundation is attacking this year is a disease that touches more than 11 million Americans, arthritis. This disease is one of the most devastating enemies of our nation's manpower. It tortures and disables more people than any other chronic illness. All ages are afflicted, including children and infants.

Two types of arthritis are recognized by the medical profession, rheumatoid, a serious crippling disease, and osteoarthritis, a degenerative disease of the joint surfaces.

The Foundation reports today they have leads in the study of viruses, heredity, psychological tensions, allergies and hypersensitive reactions in finding the cause or causes of arthritis. They said research in the polio field for the past 24 years has brought out new treatments for patients with arthritis.

Canyonites dig into your pockets and support these new areas the MOD is fighting, as you did when they were seeking a way to stop polio. One day in the future, the MOD will have a vaccine against these diseases and your dimes will make it possible.

Fire On West Square Is Top Canyon Story

Fire which swept a portion of the west side of the square April 8 was Canyon's top news story of 1961.

The blaze, which broke out on a bright, almost calm Sunday morning, destroyed The Pharmacy, operated by Mr. and Mrs. Francis Shell. Heavy smoke damage was done to adjacent firms including Warren's, Western Auto Store and offices over the old First National Bank building.

Damage was set at well over \$100,000. The Pharmacy has been rebuilt and is now open for business in the same location. Rebuilding of The Pharmacy, plus remodeling of Warren's has considerably brightened the west side of the square.

Tragedy rode the airways during the year. There were several fatal plane crashes in the area.

Both the wheat and milo harvests were good. Irrigated wheat made as much as 50 bushels per acre while dryland wheat made from 25 to 30 bushels.

In September a Randall County grand jury sided with Randall County Criminal District Attorney A. W. Lair in a controversy with Representative Tom James of the House Investigating Committee.

James took full responsibility for the committee's report which took Lair to task for what the report termed failure to push criminal prosecution against former Judge Roy Joe Stevens.

The jurors "commended fully the thorough manner in which Mr. Lair has conducted the business of his office."

Building was big news in Canyon again this year. Building permits issued by the city topped the million dollar mark at year's end.

Randall County purchased right of way for construction of the Washington Street Overpass. A contract was let in December for the job.

A dam for recreational purposes was suggested for Palo Duro Canyon. The state board of water engineers reported favorably on the project. The report now is in the hands of the Texas State Park Board.

Fees for fishing, boating and skiing were dropped at Buffalo Lake in December. The government now is trying to find a concessionaire to run the place.

Projected improvements for the community got their share of the headlines in the year just closed.

Led by Mrs. Margaret Harper a group is working toward building an outdoor theatre in Palo Duro Canyon. The group is known as the Heritage Foundation. It only recently became a part of the Amarillo Area Foundation.

The Panhandle Plains Museum is in for some improvement if plans are realized. Projected is an \$800,000 improvement to the museum.

Foul weather took its toll during 1961. High winds damaged the bumper milo drop in November. Hail damaged some crops in the area during the summer months.

Growth and promise of growth held the spotlight at West Texas

State College. College officials in October announced a \$2 million expansion of the physical plant at WT to get under way next spring.

A girls' dormitory will be constructed across the parking lot north of Hudspeth Hall. The facility will accommodate 172 girls.

Just north of the new dormitory and in front of the pueblo a new dining room will be constructed. It is designated to seat 600 students and will accommodate 1500 in shifts.

Two boys' dormitories will be constructed north of the College Loop by-pass highway. Each will accommodate 170 boys.

On the sports front, Pete Pedro of West Texas State College, was a headliner. Scintillating Pistol Pete made headlines across the country, in fact, with his scoring prowess which challenged the national gridiron record.

Building in Canyon is steadily increasing and Canyon's tax rolls are reaping from this healthy growth.

The City of Canyon's tax roll at the end of 1961 was \$1,096,124. The city taxes 50% of this amount at \$1.50 valuation on the \$100.

During the booming 1961, 152 permits were issued for \$1,246,024. This is the largest number of permits ever issued in Canyon. The top year before 1961 was 1959 with 125 permits.

Bill York, city manager, said, "Our taxable growth in both commercial and residential compares with other cities our size throughout the state." York went on to say Canyon's growth "is larger than most cities our size in this area."

Of the permits issued, York said 72 were for new residents, which totaled \$933,700. New construction which is non-taxable was second in building permits issued. Non-taxable buildings built in Canyon this year saw six permits issued for \$149,900 and include the Texas Highway Department buildings, the Baptist Student Union, Randall County Livestock, student center and a church.

In third place in building permits issued was commercial buildings, while alterations and new additions was fourth. Thirteen permits were issued for commercial buildings while 61 were given for alterations and new additions.

This year was also a record for total number of permits issued for new residents, topping 1960 by eight.

In 1960, 64 permits were issued for new residents (Continued on page 2)

THIRTY-SEVEN BLOCKS

City Kicks Off Paving Program

Canyon city commission Tuesday kicked off a street improvement program designed to pave some 37 blocks of city streets.

Action came at a called meeting of the city's governing board.

Bids on the improvement will be opened at 2 o'clock Jan. 29 at city hall. City Manager Bill York said the extent of the project remains tentative until bids are opened and a public hearing held.

Public hearing is to be scheduled soon after receiving of bids, York said.

York explained that paving will be done on an assessment basis and on a front foot plan. Adjacent property owners will be required by assessment to pay for paving, curbing and guttering adjacent to their property.

York said some 37 blocks of street is involved. He said plans call for paving about 13 blocks of Ninth Avenue. This would provide pavement from Eighth Street to Twenty-third Street and would join the three Canyon school buildings with paved streets.

Congressman Will Speak At CC Banquet

Congressman Walter Rogers of Pampa will be principal speaker at the annual Chamber of Commerce Banquet to be held at 7:30 o'clock Thursday night in the West Texas State College Cafeteria.

Rogers has been a member of Congress for the past 10 years. Rogers practiced law in Pampa, beginning in 1936. He was city attorney from 1938 to 1940. He was elected district attorney at Pampa in 1943 and filled that office until 1947.

A special program of entertainment has been provided for the banquet and about 400 are expected to attend.

Tickets are being sold by members of the Chamber of Commerce board of directors. Those not having tickets may pay admission at the door Thursday night.

Santa Claus Visits Boy In Hospital

Little James Alan Montgomery, 2 1/2 years old, son of Mrs. Jeri Montgomery, spent Christmas in Nebert Hospital but Santa Claus visited him anyway.

James Alan was visiting his great-grandparents, Mr. and Mrs. L. H. Hollabaugh, at 1201 First Avenue Friday night before Christmas when he was the victim of a freak accident which sent him to the hospital.

He was in a car operated by his grandmother, Mrs. Corene Montgomery of 1907 Third Avenue. They had just visited the Hollabaughs and were about to pull away.

John Alan leaned against a door of the car and fell out. He fell with his head almost under a wheel of the car. The vehicle's emergency brake had been disengaged and the car was rolling backward on the inclined driveway.

The rough edge of the tire came in contact with the little fellow's scalp and peeled it back. Relatives say the youngster is headed for recovery in the hospital.

Windy Miller acted as Santa Claus for James Alan at the hospital.

Under the blanket plan presented, every employee would be bonded for \$353.13 for every four years, a saving of \$142.87 to the county.

Commissioners delayed action on signing a resolution to be sent to the governor asking natural gas companies to be placed under the Railroad Commission jurisdiction. The reason for the resolution is to help the irrigation farmers of this general area in the purchasing of natural gas at a "fair and reasonable rate to be fixed by the Railroad Commission, if necessary."

The Commissioners also authorized bids to be let on gasoline, diesel fuel and oil.

The Wall Street Journal in a recent edition said Agriculture Secretary Freeman has received from his planning staff an 84-page book detailing grand strategy for altering both policy and law to reshape America's entire agricultural economy during this decade and beyond.

The document is labeled "Administratively Confidential."

It is designed to accomplish several years of shock treatment for such key commodities as wheat and feed grains. Plans call for slashing surplus production to deficit production so that by 1967 existing excess stocks will have been sold off.

Beginning soon but progressing more massively and permanently, says The Journal, would come basic reconstruction aimed at speeding the flow of rural manpower to factory jobs, at eliminating hundreds and thousands of small and inefficient farms, at converting 34 million acres of poor cropland into forests, grasslands, parks and wildlife refuges by 1969, and 68 million acres by 1985.

The Journal says plans call for new federal programs which would finance education of farm lads and their leaders for non-farming employment.

The Journal says big spending is involved. The plan for permanent diversion of cropland to other uses, for example, would begin with a pilot phase costing 23.2 million dollars in the approaching 1963 fiscal year, climb to \$488 million two years later and hit \$707 million by 1969.

New and rigorous controls, far more rigid than any experienced by farmers to date, would be required to implement the new program. Not only their planting but their marketing would be policed. When they sold their harvests they would find themselves sometimes required to give back some of the money as "fees" or "penalties." On other occasions they would be handed extra money in exchange for "certificates" representing their share of a particular market.

The program would affect not only the producer but the processors of farm goods as well as the consumer.

There is more detail to the report but this is the gist of it. We offer it without comment.

Here's how some of our foreign aid program lines up so far:

For Communist Tito: 2.4 billion dollars with more earmarked for the man who murdered Yugoslav patriots and shot down American fliers right after World War II.

For Indonesia's Sukarno: 700 million dollars already for the man who menaces our NATO ally, the Netherlands.

For India's Nehru: 2.8 billion dollars and another slice to come for the man who made war on our NATO ally, Portugal.

For China's Communist Khrushchev: millions for the man who consistently votes with Khrushchev in the United Nations.

Largest Show . . .

(Continued from page 1)

W. E. Miller will handle the chore of clerks at the sale, while Richmond Hales will head a crew of five auctioneers who will be crying for the last dollar as the prize animals are sold.

Forest Gruner is superintendent of the beef cattle department. Gruner together with Al Craig, Charley Robinson, and Jozach Byrd will handle the details of weighing, tagging, and recording all entries in this department.

Vincent Frimel is superintendent of the swine department. He will be assisted by James Bible, Emil Olson, and George Vise.

Jimmy Craig will work with David Horn, Joe B. Wise, and John Plank in the sheep department.

Louis G. Henders will head the new dairy department. Assisting Henders will be W. A. Patke, and Don Schaeffer.

The horse department will be under the guidance and direction of R.B. Allen, Bob Wilkinson, Jack Walker, L.S. Johnson, and Orville Hicks.

Tonight at the Livestock Building, all committeemen will meet for last minute instructions.

Ted Springer Announces For Re-Election To Office

Ted Springer, State Representative for the 94th District of the Texas Legislature, comprising Carson, Armstrong, Potter and Randall counties, today announced his candidacy for re-election to a fourth term, subject to the Democratic primary on May 5, 1962.

Springer is serving on five important House committees: Revenue and Taxation; Labor; Insurance; Oil Gas and Mining; and Public Printing. He appealed to the voters to reelect him so that he can continue the work already begun. "Experience is the essential ingredient," said Springer. "The longer the term of service, the more important the committee assignments become and the more influential a representative becomes in attaining the goals of his constituents. In recent years the Panhandle has gained market influence in Austin, with many members of the Legislature from this area now acting in key positions of leadership."

Springer, of 1314 Bellaire, Amarillo, in announcing his candidacy said, "I stand on my record of serving the best interests of the people of the district, one and all, without obligation to anyone." Springer said he will again use the campaign slogan already familiar to his friends, "Stay ahead with Ted."

Springer indicated that there are many important measures he has supported in the past and will continue to work for until satisfactory legislation has been enacted. "Among the successful bills I have worked for with my Panhandle colleagues is the Re-districting Bill, which acquired another House representative for the Panhandle area," Springer commented.

"Another is the Palo Duro State Park Improvement bill, which I handled in the House, and which will provide a dam and lake and other improvements in the Park. Palo Duro State Park is the only state park that has never been a financial burden, being self-sustaining from visitor fees. The new dam and lake will not cost the State any money."

Springer said he did not support the present sales tax bill, considering it the poorest type of sales tax bill that could have been offered. But since the majority of the legislators passed it, he will urge Governor Daniel to submit revision plans for easier administration and collection of the tax to the January special session of the Legislature. "The special session is being called primarily to enact further legislation on the Abandoned Property Law or Escheat bill," Springer said, "to bring financial institutions under the provisions of the law, I have always supported the bill, have been on two subcommittees for the bill and am now on the interim committee created at the last legislative session. The purpose of the interim committee is to find a way to bring financial institutions under the law without disturbing the relationship between bankers and their depositors."

Springer said he has strongly supported improvement in the Texas Educational System and believes that further provisions

of the Hale-Aikin Committee school legislation should be passed. He also has supported additional appropriations for the Extension Service in order to carry on and extend the 4H club program. "It is likely," said Springer, "that during the special session a compromise bill on the farm-to-market road program will be recommended by the Governor. If this bill is satisfactory to the various interested organizations and provides for continued improvement of farm-to-market roads, I shall support the bill."

TED SPRINGER

as I have consistently supported farm-to-market road improvements in the past."

Springer contends that the State Water Program needs immediate and continuing attention so that the State can retain control of the state water resources. "If the State does not act upon a water conservation program, the Federal government will sooner or later take over the regulation of the water resources. I am a firm believer in State's Rights, but to retain these rights, we must exercise our State responsibilities."

Springer listed three other bills that need early attention. One is the Equal Legal Rights for Women proposal; another is revision of the State Constitution in order to eliminate cumbersome, contradictory and exceedingly expensive provisions now hampering efficient administration of the State's legal systems. He has long worked for a bill to create a "Little Hoover Commission" to study ways to effect savings in the State government as the Hoover Commission did for the Federal government. The third is legislation to have the state participate with private commercial enterprises and cities in setting up funds to advertise throughout the nation the industrial, commercial and tourist attractions offered by Texas.

Springer commended the work of Senator Grady Hazelwood in introducing a Senate bill to modify and improve the so-called Safe Drivers Insurance Plan. "I was one of the sponsors of a similar bill in the House, and since both bills failed before the sessions closed, I intend to urge Governor Daniel to consider this legislation in the coming special session," said Springer.

Springer is a life insurance agent in Amarillo, a member of the Amarillo Chamber of Commerce, on the Chamber's Congressional Action and Tour-

Hilltop Views

BY DR. J. A. HILL

Just a few days ago businesses of all kinds from coast to coast were making inventories -- taking stock -- trying to discover profits and losses -- where the leaks were, where the gains, what goods were most salable and what gathered dust on the shelves, what employees made them the most money and just how and why. Had the stock increased in size in value or declined? Was the overall financial strength of the business stronger or weaker? And, finally, how can the new year be made more profitable than the old?

The success with which the business man meets these questions from year to year largely determines the stability and permanency of his enterprise. If he cannot handle them successfully he will soon be out of business.

Sometimes we ascribe success in business to luck -- to a fortunate bounce of the ball or turn of the wheel. A rich uncle left a fortune, or oil just happened to be found on a small tract of land that he acquired by chance.

Of course, such things do happen. And, likewise, misfortune seems to dog some people -- ill-health, possibly one or more deaths in the family, maybe it is a destructive fire, a swindle of some kind, a hurricane disaster, inherited poverty accompanied by heavy responsibility, or some other equally disadvantageous circumstance.

Yes, no doubt there is such a thing as both good and bad luck. Perhaps I could truthfully say that I have had a lot of good luck. But on the average I believe that there is more in luck than in luck -- more in "sit-up and git" than in "sit-down and sit." As the poet said, "Taint no use to sit and whine when the fish ain't on yer line."

"Bait yer hook and keep on tryin'."

That's what the business man is getting ready to do when he takes inventory. He is not about to quit fishing. He is just preparing to re-bait his hook, to start the new year with a better understanding of the problems before him.

Life-building is not unlike merchandising in this one respect. If we expect to prosper -- become bigger and better men and/or women -- we need occasionally to close the doors to all comers and quietly and honestly make a self-inventory. Can I stand before the mirror, look myself squarely in the eyes, and assert positively that I have done better this year than last; that I think less of my selfish interests and more of the welfare and happiness of others; that I have my temper and my tongue under better control; that my physical appetites have been bridled; that I have not taken advantage of a customer or a friend in a business or other transaction; that I am more conscious of my responsibility to my family, my community, and my country; that my conduct is the kind I would like my children to accept as a pattern; that I respect and obey the laws of city, county, state, and nation because I know that failure to do so contributes to the rapidly increasing lawlessness that endangers every household (including my own) imperils all the freedoms our forefathers vouchsafed to us, and weakens our country in its contest with all the evilisms of our times; that I am better informed on the issues of the day and have determined, God helping me, to take my stand immovably for God and country so far as my intelligence enables me?

These are questions and points of view that an honest, searching self-inventory would bring to the minds and hearts of most enlightened people. Their proper answer by a majority of the American people not only would vastly increase the personal happiness, but also would add greatly to our national security.

As most all great thinkers of the last quarter century agree, civilization's basic problem today is intellectual, moral and spiritual. The solution of that problem rests heavily upon each individual human unit. Would to God that every American would make an honest self-inventory today!

Gen. Walker Speech Set

Former Maj. Gen. Edwin A. Walker, who resigned his commission after the Army reprimanded him in a dispute over troop indoctrination, will speak in Amarillo Friday night. A number of Canyon people are expected to attend.

The general will speak at 8 o'clock in Municipal Auditorium.

Until his resignation General Walker was commander of the 24th Division in West Germany. Walker ended a 30-year military career in November after being admonished and relieved of his command on charges of trying to influence troops' votes in the 1960 election.

Walker said he resigned his

ist and Convention committees. He is a member of the First Baptist Church of Amarillo. He was born in Mississippi in 1913, moving to Randall county in 1921. The Springers have a 14-year old son, Larry.

Heritage Group Affiliates With Amarillo Foundation

Texas Panhandle Heritage Foundation has become affiliated with Amarillo Area Foundation for production of a symphonic drama in Palo Duro Canyon.

Mrs. Ples Harper of Canyon, Heritage Foundation president, said the foundation board of directors met Dec. 12 to become affiliated with Amarillo Area Foundation.

The affiliation was announced only last week.

Texas Panhandle Heritage Foundation was organized about 10 months ago in Canyon. Plans

call for production of a historical drama by Paul Green, prize winning dramatist.

Amarillo Area Foundation was established in July of 1957. Board chairman is Robert E. Clements.

Amarillo Area Foundation was established as a charitable, educational and benevolent community foundation. Potential beneficiaries of this organization's funds are music, drama, historical museums, visual arts, libraries, landmarks of significance, education and other methods in which arts and sciences of this region may be developed and sustained.

In 1958 the Amarillo Foundation conducted a Plains Hospital Fund drive for expansion of St. Anthony's Hospital and other health facilities in Amarillo.

Grain Auger Falls On Man

Rube McClain was released from the hospital with minor injuries he received last week while moving a grain auger.

He was working for Poole's Farm and Ranch Supply when the accident occurred. According to Keith W. Poole, owner, McClain was moving a grain auger when it fell on him Dec. 27.

He was pinned against a concrete floor and received bruises and one broken bone in his foot.

Mrs. Russell Services Held

Funeral services were held Friday afternoon at 3:30 in Croley's Funeral Home in Gilmer for Mrs. Mary E. Russell, resident of Canyon for the past ten years.

Mrs. Russell, 90-years old, died Dec. 27 in the Thurmon Rest Home in Amarillo. She had lived in Canyon the past ten years with her daughter, Mrs. Nellie Stevens of 906 8th St.

Mrs. Russell was born April 9, 1871 in Mattenburg and was a member of the Methodist Church in Gilmer.

Survivors include Mrs. Stevens, three grandchildren, ten great-grandchildren and one great-great grandchild.

This resulted in development of St. Anthony's facilities to better serve the health needs of the High Plains area. These facilities were transferred, debt free, by the foundation to the hospital.

Another such project was the development of a 300-acre medical center and child guidance center.

Action of Amarillo Area Foundation in solving the most pressing medical problems of the area demonstrates the Foundation's purpose. The board of directors selects a field which is important to the development of the locality and gives financial support and advice to agencies already established in that field. The Foundation lends its support until that support is no longer needed, according to Mrs. Harper.

Affiliation of Amarillo Area Foundation and Texas Panhandle Heritage Foundation marks the Amarillo Foundation's first major project toward support of area arts.

Announcement of the affiliation coincided with the beginning of a membership campaign for the Amarillo Area Foundation's arts and sciences fund. Invitational memberships have been mailed to 1500 area persons, according to Clements. Funds contributed may be earmarked for the Symphonic Drama-Texas Panhandle Heritage Fund.

Mrs. Joe Markham sustained a foot injury during Christmas holidays, but is recovered.

Mrs. T.V. Slack, who received a severe foot sprain in a fall recently, is recovering nicely at her home.

Mrs. Lee Roy Moreland is still confined to her home as a result of injuries she received in a fall about mid-December.

Mrs. D.H. Sweet broke her foot enroute to a Christmas party at the home of her employers, Mr. and Mrs. Owen Williams, December 22. She was told it will have to remain in a cast about a month.

Mary Caballero

Why not start off the New Year by sitting down and making a list of things that you really want to do this next year.

You might put first on the list, things that you wish you could have done last year, but still haven't been able to accomplish.

There will be a few ideas that have been in the back of your mind for sometime. Perhaps the covering of an old chair in a bright gay print. Repainting all the picture frames to brighten up a room or adding a few new colors that you have never tried before.

Sometimes it might change your frame of mind to paint some furniture or remove a drab finish. Different curtains or drapes can lift your feelings to a happy or gay feeling of Spring.

I have already received my first catalog of flowers and seeds, so spring can't be far away.

January, February, and March are the "get it done before spring" months. There are so many different things we can accomplish with our hands and a little imagination that time to do it is important now.

Good Housekeeping magazine has several pages on the subject of making old rooms into new by mail order. This would be fun for someone who plans to redecorate and feels the need of an expert in decorating. The most important thing is that we start doing something that is important to us and that we honestly enjoy. This usually results in a serenity of our feelings and makes life more pleasant for everyone around us.

From the article "Are You Alive" by Stuart Chase, I find that he is trying to define the idea of how much time we actually live and how much time we only exist. He wishes that we could hold life on a pinpoint and examine it closely.

He sets of life from exist-

WT To Offer New Course

A course in astronomy will be offered at WT next semester for the first time in the history of West Texas State College.

College officials said the course will be taught by George Thomas of the Helium Research Center.

It is a four-hour course and will be taught at night on Mondays and Thursdays. It will be open to any WT student who desires to enroll.

Services Held For Mr. Wesley

Funeral services for a longtime resident of Happy, Alvin Wesley, were held last Thursday at 3 p.m. in the Wayside Church. Burial was in the Wayside Cemetery under the direction of LaCone Funeral Home.

Mr. Wesley, 78-years old, died Wednesday in Neblett Hospital.

He had been a resident of Happy since 1909, when he moved to Happy from Bandera County. He was born Oct. 11, 1883 in Palo Pinto County. Mr. Wesley was a Baptist and was a retired farmer.

Survivors include his wife, Lillie Mae; five sons, Charles of Happy, Darrell and Wayne, both of Levelland, Delbert of Tulla, and Kenton of Canyon; two brothers, Edwin of Tulla and Benjamin of Rudy, Ark.; seven grandchildren and two great-grandchildren.

Mr. and Mrs. A. W. Harding and son, Jimmie, and Betty Kirkman visited in the home of Mr. and Mrs. Roland D. Leimers and children in Dumas Friday evening. Mrs. Leimers is the daughter of the Hardings.

Two Accidents Reported Here

Two minor accidents were investigated by Canyon Police this past week.

The first accident of the new year occurred at 8:29 a.m. on Jan. 1 at 6th Ave. and 12th St. Rhone Elmo Mobley, 1106 6th Ave. and Arless Hand Ref, 1107 6th Ave. were backing out of their private driveways when the collision occurred. Only minor damage was reported.

The other accident happened at 12:40 p.m. Dec. 29 at intersection of U.S. 87 and 4th Ave. A 1961 Chevrolet pickup driven by Carl Overton, Rt. 2 Canyon, was going south on U.S. 87 and was attempting to turn left when a 1962 Tempest driven by Floyd Wilcox of Amarillo collided. Canyon police reported about \$250 damage to each car.

Farm Bureau Board To Meet

Randall County's Farm Bureau Board of Directors will meet for the first time this year tonight at 7:30 in the Farm Bureau Building to discuss future meetings.

After a discussion is held on the annual community meetings, the Board will set dates for these meetings.

KEEP OUT QUARANTINED

WHEN DID YOU LAST SEE SIGNS LIKE THESE

Signs like these are all but gone from the American Scene. But not too long ago, almost the only way to stop the spread of contagious disease was to put homes, neighborhoods and even entire cities under quarantine. Today, however, the potent drugs from America's great pharmaceutical houses enable the doctor to protect you against contagious disease, that's why we say

TODAY'S PRESCRIPTION IS THE BEST BARGAIN IN HISTORY AND WHEN YOU HAVE A PRESCRIPTION TO BE FILLED, REMEMBER...

THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas--

GREETINGS:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: DORIS L. DOSS, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Court-house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of December A.D. 1961, to Plaintiff's Petition filed in said court, on the 1st day of December A.D. 1961, in this cause, numbered 5471 on the docket of said court and styled

RAYMOND B. DOSS, Plaintiff, vs. DORIS L. DOSS, Defendant.

A brief statement of the nature of this suit is as follows: to wit: Suit for divorce on grounds of cruel treatment. No children born to marriage. Plaintiff sues for division of community personal property, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

Nazareth Man Dies In Canyon

Hardy Washington Berryman, Nazareth, died in Neblett Hospital Dec. 31 and was buried in Matador.

Berryman had lived in Tulsa before recently moving to Nazareth and he was born Feb. 2, 1917.

LaGrone Funeral Home was in charge of arrangements in Canyon.

Mrs. Henry Reineke and sons, Jimmie, Johnnie and Freddie of Ida Grove, Iowa, spent the Christmas holidays in the home of Mr. and Mrs. G. H. Leseberg. Mrs. Reineke and Mrs. Leseberg are sisters.

Visitors in the home of Mr. and Mrs. G. B. Combs during the holidays included Mr. and Mrs. C. A. Barker of McAllen; Mr. and Mrs. J. M. Hart and Mr. and Mrs. C. V. Lowe of Gruver. The women are daughters of Mr. and Mrs. Combs and came to help their father celebrate Christmas. Mr. Combs hasn't been well recently.

Record Books For Farmers Available

New record books for farm families of this area can be had free by dropping by the First National Bank in Canyon. These new books contain all the necessary columns and pages to make a complete accounting of farm and home expenses and income for a year.

They were printed by the Texas A & M College Extension Service and were purchased by Levi Cole as a public service for farm and ranch people. When the book is complete at the end of the year the totals can be transferred directly to the income tax report or they can be given to the tax accountant who make tax returns.

Instructions for farm record keeping is available from the Texas A & M College Extension through John Brazzil, Randall County Agent.

Mr. and Mrs. Joe Tuck of Indianapolis, Indiana, spent the holidays in the home of his sister and family, Mr. and Mrs. G. H. Leseberg.

Visiting recently with Mr. and Mrs. G. B. Combs were Mr. and Mrs. Dwayne Atkins, Kent and Carol Ann, of Amarillo, and Mr. and Mrs. Coy Phillips of Hereford.

Services Held For Mrs. Holly

Funeral services for Mrs. Grace Allen Holly, a Happy resident since 1930 were held Monday at the First Baptist Church in Happy. Burial was in Memory Gardens.

Mrs. Holly died Dec. 30 in Neblett Hospital.

Rev. Floyd Haddock of the First Baptist church in Meadows conducted the services and he was assisted by Rev. Walter Hadley of the Methodist church in Happy.

She was survived by two daughters, Mrs. Fred Axe of Hereford and Mrs. Clayton Devin of Happy; five sisters, Miss Lula Parker, Austin, Mrs. G.C. Palmer, Coffeyville, Kan., Mrs. Myrtle Gunter, Houston, Mrs. J. S. Collins, Wichita Falls, and Mrs. W. E. Gillispie, Goshen, Ind., one granddaughter and one great-granddaughter.

Pallbearers were Ross Forsyth, Lynn Axe, Glenn May, Pete Whitlow, Harold Holcomb and Albert Devin.

LaGrone Funeral Home was in charge of the services.

Mrs. Guy B. Tabor has returned to Canyon for several weeks after an extended visit in Austin with her daughter, Mrs. Coystall Stone and boys. She also visited with a daughter and family in El Paso before returning to Canyon.

By MRS. J. W. WESLEY

Mr. and Mrs. Woodrow Wesley had as their guests Dec. 17, 28 of Mrs. Wesley's relatives. They came from as far as New Mexico and Wyoming.

School resumed January 2, 1962, after a vacation for the Christmas holidays.

On Dec. 17, a number of youngsters and oldesters gathered at the J. W. Wesley home and went down into the Canyons to get their Christmas trees. They brought back one for the Church. The Community tree was Sunday evening, Dec. 24. A short program was also held.

Woodrow Wesley was in a car accident recently. His car was heavily damaged but he received little injury.

Mr. and Mrs. H. H. Shipman attended the funeral of one of his uncles recently in Seymour.

Mr. and Mrs. Raford Shipman and children attended the funeral of his uncle in Seymour recently. While there they also had Christmas with Mr. Shipman's mother and family.

Those sacking treats in the G. E. Wesley home recently were Mr. and Mrs. Erwin Wilson, Glenda and Eddie; Mr. and Mrs. J. W. Wesley; C. P. Rogers; and Mr. and Mrs. Gene Shipman.

The Community was saddened by the death of Arthur Patterson of Vaughn, New Mexico. He lived in our community a number of years. Our sympathy goes to his family.

Mr. and Mrs. Woodrow Wesley and boys recently visited in Albuquerque with a niece of Mrs. Wesley's, Vickie Boyd, who is ill. Vickie is the daughter of Phil Boyd and is 16 years old.

Arlen Wesley recently visited in the home of his grandparents, Mr. and Mrs. J. W. Wesley.

Mrs. Troy Langston and son, Jimmy, were recent shoppers in Amarillo. Troy is still under the care of a doctor for the knee injury he recently received.

Mr. and Mrs. G. E. Wesley

celebrated Christmas with their daughter and her family, Mr. and Mrs. H. H. Shipman and their grandchildren, Jerry and Lillie Shipman; Mr. and Mrs. Gene Shipman and their grandson, Earl Raphe Shipman, December 22. The Shipmans left December 23 for El Paso where they had Christmas with their daughter and son-in-law and grandson, Bobby Gotheaux.

Mrs. Fern Wilson has been ill recently.

The Rev. and Mrs. John Sullivan and children visited in the John Patterson home recently.

Mr. and Mrs. J. W. Wesley and Mr. and Mrs. Woodrow Wesley recently attended the funeral of Arthur Patterson in Amarillo.

Harding Home For Holidays

Jimmie D. Harding, son of Mr. and Mrs. A.W. Harding of 2103 Fifth Avenue, was home for the holidays.

He is a student in the US Army Security Agency Training Regiment at Fort Devens, Mass. Jimmie is a 1961 graduate of Canyon High School. He attended West Texas State College last summer.

Accident Sends Two to Hospital

A car-pickup collision at the intersection of 7th Ave. and 21st St. Dec. 21 at 9:40 a.m. sent Mrs. E.C. Berry and her daughter Glenna to Neblett Hospital, and both have been released.

Glenna suffered a broken collar bone and her mother received cuts and bruises from the accident.

Mrs. Berry was driving a 1961 Oldsmobile and Mrs. Opal Dwyer was driving a 1951 Chevrolet pickup. City policeman Asa R. Atchley investigated the accident and said the sedan was turned on its side by the impact of the collision.

Riding with Mrs. Dwyer were her four children, while Mrs. Berry had Mrs. Billie Burnam and son Ronnie as passengers in addition to her daughter.

Atchley estimated the damage to both cars at \$1,000.

Mr. and Mrs. J. Lee Allen, Mr. and Mrs. Ed Cranmer and Danny, Mr. and Mrs. Mark Taylor, Deborah and Timothy, spent Christmas day in Wellington, visiting Mrs. Taylor's mother, Mrs. Carl Taylor, and brother, Glen Taylor and family.

Recent visitors in the home of Mr. and Mrs. B. E. McCormick were their daughter and her family, Mr. and Mrs. Donald Williams and son of Tahoka, and their son and his family, Mr. and Mrs. Jack McCormick and daughter of Stillwater, Oklahoma.

COUNTY AGENT'S COLUMN

by John Brazzil

The year 1962 is still as new as a newly coined penny. While this is so, why not ask Levi Cole for a copy of the fine farm and home record book. Record keeping is no longer a matter of stubbing checks or vest pocket accounting. This is a new year and a new period. Nothing but sound business management will do on modern farms and ranches.

For the next few weeks the theme of the day will be livestock shows. Of course, our own Randall County show is the biggest and best of the lot. When the show and sale is ended here some of our boys and girls will be journeying to the big shows such as Amarillo and El Paso to take a crack

at the big money and big time stuff. Give them a boost by your support.

A few of the 1962 Federal Income tax guides remain in my office for the asking. They are complete and well written. When you ask for one of these guides why not pick up an order blank for the windbreak trees. The season for ordering these trees will end shortly.

The wheat farmer's nemesis, the greenbug is back again. In fact he never left. These rascals are to be found in wheat fields all over the panhandle. Don't get alarmed--YET. The wheat is near dormant and is usually closely grazed. Trouble if it comes will be after the

Yuletide guests in the Bob Hall home were Mrs. Hall's sister and family, Mr. and Mrs. Bill Miller, Amarillo; her parents, Mr. and Mrs. D.E. Woodson, Amarillo; and her grandmother, Mrs. Laura Woodson, Childress.

Houseguests of the R.B. Gists Jr., have been Mr. and Mrs. James Bonds and children of Kemp.

warm days in late February or early March. Experiences from last year show that this pest can be controlled--for a price. Here is hoping that they all migrate to Siberia before long.

The Troy Martins visited relatives in Childress and Amarillo during the holidays.

Holiday guests in the homes of Dr. and Mrs. Joe Markham and Mrs. Lewis Markham were the Virgil Markhams of Pacoima, Calif. Virgil is the brother of Joe and the son of Mrs. Lewis Markham.

The Bob Lindseys spent several days of the holiday period with relatives in Borger.

Mr. and Mrs. H.R. Fulton Jr., and family celebrated Christmas Day in Silverton at the home of her parents, Mr. and Mrs. Joe Mercer.

ITEMS OF INTEREST TO Women

Glanton-Brandon Nuptials Are Performed in Chapel

MRS. DAVID ARTHUR BRANDON

Miss Carolyn Viola Glanton became the bride of David Arthur Brandon in a double ring ceremony performed at 8 o'clock the evening of December 21, in the Joseph A. Hill Memorial Chapel on the campus of West Texas State College. Dr. Strauss Atkinson, pastor of the First Baptist Church, officiated.

The bride is the daughter of Mr. and Mrs. R. L. Glanton, and the bridegroom is the son of Mr. and Mrs. L. F.

Brandon, all of this city. Mrs. Dick Dawdy played the organ and accompanied Mrs. H. R. Fulton, Jr., who sang, "I Love You Truly," "You'll Never Walk Alone," and "The Lord's Prayer." Mrs. Dawdy played "Clair De Lune" during the exchange of vows.

Decorations for the candle-light ceremony were in keeping with the Christmas season, and the cross was illumined by a spot light. The aisle, which was carpeted in white,

was marked with white candles in candelabras. The satin draped rail was centered with a white bouquet and a gold cross, and flanked on either side with green Christmas trees decorated with gold, red and white. Four candelabras, two at the top of the stairs, and two at the bottom, accented the arrangement.

Matron of honor was Bettie Wimberley, sister of the bride. She wore a dress of red velvet with a portrait neckline, and carried a white fur muff with a red poinsettia. Her satin slippers were accented with tall jeweled decorations. Barbara Burrus, also a sister of the bride, lighted the candles. She was attired identically to the matron of honor. She carried a white bouquet, accented with red, and centered with a tapered white candle.

Best man was Larry Ray Brandon, brother of the bridegroom. Ushers were George Snapp and Ronald D. Crow.

The bride, given in marriage by her father, wore a billowing chapel length gown with lace trim at the yoke and bodice. The ballerina of shining satin under tulle, was appliqued with Alencon lace and rows of soutache braid. The long sleeves were of applique lace, and the gown was emphasized by the Empire waistline, and by the delicate sequin and bead embroidery on the scoop yoke. The fingertip veil of fine imported lace was attached to a crown of lace applique and pearl embroidery.

Mrs. Glanton, mother of the bride, wore a satin finished turquoise dress accented by a portrait neckline. She wore elbow length white satin gloves and carried a black Italian fur purse. Her hat was of black fur, and she wore black suede slippers.

The bridegroom's mother was attired in a satin glazed dress which was of a soft beige color. Her ensemble was accented with a soft fluff hat and brown slippers. Her gloves matched the color of her dress.

A reception was held in the Baptist Student Center following the ceremony. The guests were served traditional wedding cake and red punch. The table

Mr. and Mrs. Clarence Howard of Canyon.

The wedding vows will be exchanged January 26, in the home of the bride's parents.

(Continued on Page 7)

Mathis-Sims Rites Are Read With Ceremony In Canyon

Miss Glenda Mathis of Amarillo and James Wesley Sims of Canyon were married Saturday evening at 7:30, in the home of the bridegroom's parents, Mr. and Mrs. M. B. Sims, 2604 Fifth Avenue. The bride is the daughter of Mrs. Obie Mathis of Amarillo and J.A. Mathis, Waynoka, Oklahoma.

The Rev. Newton Starnes, pastor of the First Methodist Church, officiated at the double ring ceremony. The home was decorated with an arrangement of gladioli and daisies.

Attending the bride was Miss Glenda Findley, and best man was Bob Winn.

For her wedding the bride

chose a suit of navy blue and white, with navy accessories. Her corsage was of red roses.

Mrs. Sims attended Amarillo schools and at present is employed with the Wolfen Village Pharmacy. The bridegroom attended Canyon schools and is now enrolled as a student at West Texas State College. He is associated with his father in the Building Contracting business.

The couple is at home at 4124 Van Buren, Amarillo.

Out of town guests attending the wedding included Mr. and Mrs. Johnnie Daughtry, Mrs. James Turner, Mrs. Jimmie Young, Amarillo; Mr. and Mrs. Leonard Foster and children, Borger; Mrs. Arah Howard, Amarillo; and Mr. and Mrs. J.W. Sims of Canyon, grandparents of the bridegroom.

Deanna Stocker Is Transferred

Airman 3/c Deanna Stocker has been transferred by the WAF from Sheppard Air Force Base to the Amarillo Air Force Base. She is the daughter of Mr. and Mrs. E. A. Stocker, Route 1, Canyon.

Deanna was selected to receive the American Spirit Honor Medal, sponsored by the Citizen's Committee for Army, Navy and Air Force, Inc.

The trainee of each graduating class who best displays the qualities of leadership is awarded the medal. Qualifications are honor, initiative, loyalty and high example to comrades in arms.

"Latin America" Is Theme for Service

A special Mission study will start this Sunday evening at the First Christian church and will be carried out through the month of January. The general theme is "Latin America", and the first guest speaker will be Dr. Lena Edwards and Virgil Dodson of Hereford.

Dr. Edwards is a negro medical doctor serving the migratory labor camp at Hereford. She came to Hereford from the New England states after serving 37 years in her medical profession. She has raised 8 children, 5 of whom are medical doctors. Her present project is a hospital to serve the labor camp.

Mr. Dodson is a layman of the First Christian church of Hereford and is serving as chairman of the Protestant Christian Community Center board which serves the labor camp. This work is sponsored by five local churches.

The program will begin at the church at 5:30 p.m. with a sandwich supper. Study groups for all ages will start at 6 p.m. The Sanctuary hour is at 7 p.m. with Dr. Edwards as speaker. The public is invited to hear her.

Charles Wright Home Is Scene for Dinner

Mr. and Mrs. Charles (Wire) Wright and their children, Chuck, Jack and Susie, entertained in their home south of Canyon with a Christmas dinner on Monday.

Mrs. Grace Gore of Powell, Wyoming, was the guest of honor. Mrs. Gore is the sister of Mrs. J. J. Wright, and Tom C. Gooch, Sr.

Those present were: Mr. and Mrs. J. J. Wright of Bentonville, Arkansas; Mr. and Mrs. Tom V. Slack, Sherry and Phil, of Perryton; Mr. and Mrs. W. E. Stringer, and Don Stringer of Friona; Mr. and Mrs. Bill J. Pegram, Linda, Bill Clay, Tim and Jodie of Westcliffe, Colorado; Mr. and Mrs. Edgar Gooch of Harrold, and Mr. and Mrs. Tom C. Gooch, Sr., of Canyon.

D.B. Holland Children Visit

Visiting with D.B. Holland during the holidays were his children, grandchildren and great-grandchildren. They included Mr. and Mrs. W.T. Holland of Plainview; Marilyn Holland, Dallas; J.D. Holland and family, all of Amarillo; Mr. and Mrs. Joe Max Carver, Canyon.

Sharon Holland, Amarillo; Mr. and Mrs. Ralph McAdams of Canyon; Mr. and Mrs. Jimmy Hawes of Farmington, New Mexico; Dan Reeder, Amarillo; Mr. and Mrs. Lloyd Brown and family, Spokane, Washington; Mr. and Mrs. George Montgomery of Phoenix, Arizona, and Miss Pat Holland, Canyon.

Vows Are Exchanged by Couple In Double Ring Rites

MRS. MAX WAYLAN CAIN

Saturday evening in the First Baptist Church of Canyon, a double ring ceremony was performed uniting in marriage Miss Irma Joy Gray of Amarillo, and Max Waylan Cain of Perryton. Cecil M. Osborne, Jr., of Plainview, cousin of the bride, officiated.

Mr. and Mrs. A. B. Gray of Canyon are the parents of the bride, and the bridegroom is the son of Mrs. W. W. Blackburn of Perryton.

Brent Flenniken of Amarillo sang, "I'll Walk Beside You" and "The Lord's Prayer," and Bob Allford of Canyon sang, "You're My Heart Alone." Organ accompanist was Mrs. Margaret Heiny of Amarillo, and violinist was William J. Davis of Lubbock, cousin of the bride.

As the mothers were seated, a violin and organ duet, "Clair De Lune" was presented.

The satin draped chapel rail was backed by tree ferns and candelabras. A tree candelabra holding glittering chrysanthemums and fern centered the altar, which was flanked by two large bouquets of white chrysanthemums and red carnations. Votive lights outlined both bridal aisles which were marked with white chrysanthemums and ribbon.

Mrs. Elouise Humiston of Amarillo was her cousin's matron of honor. She was attired in a dress of chiffon georgette over taffeta with red bodice and applique rose which extended onto the full white skirt. She wore a white matching headpiece and formal gloves, and carried a cascade bouquet of white baby chrysanthemums.

Mrs. Karen Burkhardt and Mrs. Pat Martin of Canyon were bridesmaids. They wore dresses styled identically to that of the matron of honor.

Toby Cain of Dallas, nephew of the bridegroom, was ring bearer, and Shelley Martin was flower girl. Her dress was of white silk organza, and her head-dress and slippers were of red velvet. She carried a white basket filled with red rose petals.

Serving as his brother's best man was Doyle Cain of Dallas. Groomsmen were Jim Cain of Seagraves, also a brother of the bridegroom, and Dale Fortune of Phillips.

Ushers were Weldon Gray, brother of the bride, Canyon; Charles Osborne, Amarillo, Landrum Osborne and Gary Balzer of Perryton.

The bride chose for her wedding a deep lustered satin gown, which billowed into a chapel train from the fullness at the side, and back with a butterfly bow. The bodice, resplendent with re-embroidered Alencon lace, was highlighted with sprinklings of tiny pearls and baby sequins. The long tapered sleeves terminated in points at the wrists.

Her fingertip veil of silk illusion was held by a matching pill box crown, encrusted with seed pearls and sequins. She carried a cascade bouquet of white roses, centered with an orchid, atop a white Bible.

Escorted to the altar by her father, the bride paused at her mother's side and gave her a white rose. After being given a light kiss on her father's cheek, and turned to the bridegroom and sang, "Whither Thou Goest."

For her daughter's wedding, Mrs. Gray wore a suitdress of silver white brocade on gray cotton satin, with silver gray and white accessories. Mrs. Blackburn was attired in pale green lace over taffeta with matching accessories. Their corsages were of white roses.

A reception was held in fellowship hall of the church following the ceremony. Members of the house party were Mrs. Leroy Pitt, Mrs. J. T. Brown, Mrs. Doris Moore, Mrs. Charles Osborne, Mrs. Cecil Osborne, Mrs. Tom Lindsey,

and Misses Joyce Barker, Lynda and Cynthia Brown.

Mrs. Bob Allford played background music for the reception.

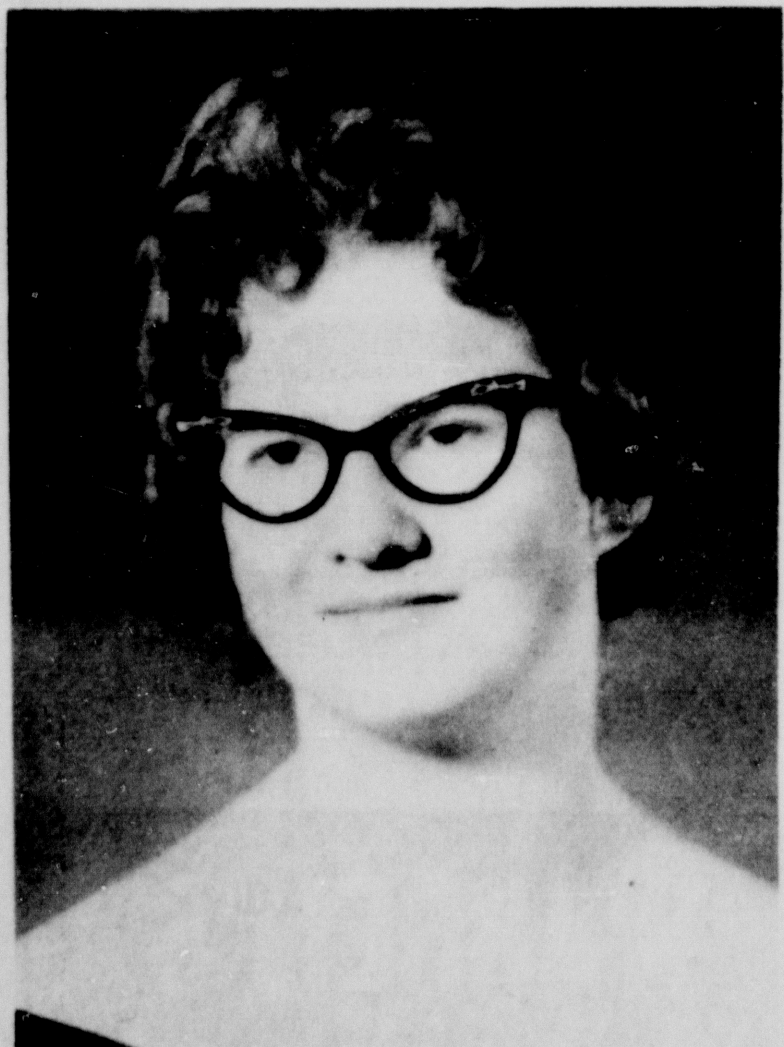

For the wedding trip to Dallas, the bride traveled in a royal blue suit with matching slippers and bag. Her hat and gloves were white. The orchid from her bridal bouquet accented the ensemble.

Mrs. Cain is a graduate of Canyon High School and attended West Texas State College. She is employed by Fund Insurance Companies in Amarillo. He is a graduate of Seagraves High School, is a student at West Texas State and is employed in the business office of Heath Furniture Company, Amarillo.

Mr. and Mrs. Cain are at home at 803 B. Bryan, Amarillo.

The rehearsal dinner was given the evening preceding the wedding in the private dining room at Wyatt's Cafeteria, Amarillo. A surprise dinner was held in the home of the bride's parents, December 21, with only the family attending.

Nuptial Ceremony Is Planned by Couple

RITA FAYE HOWARD

Announcement is being made this week of the engagement and approaching marriage of Rita Faye Howard to E.G. Mitchell, 2410 Hickory, Amarillo. Parents of the bride-elect are

Mr. and Mrs. Clarence Howard of Canyon.

The wedding vows will be exchanged January 26, in the home of the bride's parents.

MARGARET HELEN JUNIPER

Dr. and Mrs. Walter H. Juniper of Canyon announce the engagement of their daughter, Margaret Helen, to Mr. Donald D. Brand, Jr., son of Dr. and Mrs. Donald D. Brand of Austin.

Miss Juniper and Mr. Brand are students at the University of Texas. Wedding vows will be exchanged January 28, in the Joseph A. Hill Memorial Chapel in Canyon.

BARBARA JEAN BACON

Mr. and Mrs. A.L. Bacon, Jr., of Dora, New Mexico, announce the engagement of their daughter, Barbara Jean, to Thomas Graham, Jr., son of Mr. and Mrs. J.T. Graham of Canyon.

The wedding date has been set for January 18, in the home of Dr. and Mrs. Strauss Atkinson.

Student's First Christmas States Is Spent in Canyon

By Mrs. T. V. Reeves

"I am sure there is no place in the United States where I could have been as happy this vacation as in Canyon. This was my first Christmas away from my home, my parents and my seven younger brothers and sisters."

The speaker was Priscilla Lasmaras, whose twenty years had been lived at a little town called Bais, on Negros, the fifth largest of the 7000 islands which compose the Philippine Republic. For ten days she was the house guest of Mr. and Mrs. J. D. Barker.

When she stepped from the train -- which was six hours late, due to the Christmas rush -- almost the first thing she said was, "I saw snow in Arizona and New Mexico; I had never seen one flake before. I hadn't touched it, but I hope I will get to make a snow man and have my picture taken beside it before I go back to California."

Priscilla's friendliness and interest in all things new to her prompted those who came in contact with her to do everything they could to add to her pleasure. One of the special treats came when Mrs. J. D. Singleton took her to visit the Harrell Ranch. The day was sunny, and prairie dogs, antelope and deer were seen; a little wild came, so she saw a Texas tumbleweed in motion, and her attention was called to the yucca. She was especially pleased when she learned the plants are called "Candles of the Lord" by Spanish speaking people. She saw cattle being branded, and she enjoyed dinner at the ranch home of the Ed

Harrell's.

Miss Lasmaras is a graduate student at Leland Stanford University at Palo Alto, California, and is one of eleven foreign students given scholarships this year by the Stanford Students' Association. Her transportation to California to take advantage of the opportunity was made possible by Mr. and Mrs. Barker and many other people in Canyon. Although she had thanked them by letter, Priscilla was eager to meet each one. This was arranged when a tea was given in her honor by Mrs. Barker and her daughters, Mrs. Singleton and Marcia Nan. On this occasion, she wore a typical Philippine costume, which had been made by her own mother. She tried to call on all those who had helped her, but were unable to come to the tea. She said, "I want to thank everybody who has helped me."

Her gratitude to people in Canyon was further expressed when she talked to the Rotary Club, the Jaycees, the Sunday night service at the Methodist Church, and to Sunday School

classes at the Presbyterian Church. She also spoke at the First Presbyterian Church in Amarillo. Everywhere she captivated her listeners, and gave them a new, fresh understanding of her homeland, and of the meaning of missions.

At Stanford, Priscilla lives in a dormitory with 350 girls, but she is the only foreign student among them, so she was much interested in visiting in homes in Texas. She spent a night at Dee Ann Singleton's special guest, and three nights with Mrs. T. V. Reeves who had visited her home town in the Philippines; besides the calls she made, she was entertained by Mrs. Pauline Bonnie and daughter; Mrs. R. R. Rhoads and daughter, Mr. and Mrs. J. D. Singleton, and Mr. and Mrs. Carl Periman of Amarillo. She was interested in seeing the rooms of American girls of her age, so the five daughters of Mr. and Mrs. Joe J. Frank showed her their rooms.

Everywhere that the visitor went she told people about Silliman University from which she was graduated last February. Silliman, started beside the sea, with jungle and mountains right behind the site was a mission project of the Presbyterian Church 60 years ago, but it now receives support from many denominations under the United Board of Christian Education in Asia, which has its headquarters in New York. Said the visitor, "It is said that Silliman is the best University in Southeast Asia; it is a place where leaders are educated to serve in the battle for men's minds -- and hearts."

Asked about political conditions in the Philippines, she

said, "We are very proud of our progress toward real democracy; the events of the recent election show we are becoming a mature people." When asked about the threat of Communism she said, "The Philippines will never become Communist. We have been slaves under Spanish and again under the Japanese, and we know we would be slaves under Communism. We must be a free people."

"I love corn," said Priscilla when asked about food preferences. "And I miss rice which we eat three times a day as you eat bread. I lived in a sugar cane area, so I want lots of sweets," and there were dimples showing as she reached

for another bite of candy.

Priscilla's next great American experience was to be in Illinois, where she was to attend the Inter-Varsity Christian Conference which occurs only once in four years. There will be between three and four thousand Christian foreign students from every part of the world, who are now studying in the U. S. assembled at Urbana to listen to internationally known speakers, including Billy Graham. They will have many discussion groups. There will be fun along with serious thinking. Representing her country, Priscilla will wear her beautiful dress of handwoven pineapple fiber. "And when I wear it, I will be thinking of my mother's fingers," she said.

Boarding the train, in the bitter cold of last Tuesday, Priscilla's eyes were wet with tears as she said, "I have been so happy here in Canyon; I shall always love its people." She hopes to return some time.

HOME FOR HOLIDAYS

Holiday visitors in the home of Mr. and Mrs. Walter Graham were their four daughters and their families. They are: Bobbie and Nolon Henson, Jr., and their children, Jan and Walter, of Lubbock; Mable and Dr. Lester Packer, David and Anna Beth, of Orinda, California; Bette and Dr. W. M. Osborne of San Antonio, and Billie and Lewis Chaplowe of Bridgeport, Conn.

CHRISTMAS VISITORS

Spending Christmas with the A. M. Cunninghams were their daughters, Mr. and Mrs. John E. George, Scottie and Rusty of Lawrence, Kans.; Mr. and Mrs. John Petty and Elizabeth of Abilene; a son, Mr. and Mrs. Melvin Cunningham, of Fort Benning, Ga.; Mr. Cunningham's mother and step-father Mr. and Mrs. Jack Powell of Seminole, Mrs. Cunningham's brother, Mr. and Mrs. Buel Wharton, Hobbs, N. M.

Glanton-Brandon

(Continued from Page 6)

was decorated with a red cloth, fringed with white snowballs and centered with white angel hair and a tall white angel, surrounded by white fur. Table appointments were in milk glass, and the red punch bowl held an ice ring with red holly and white leaves.

Mrs. Ronald D. Crow presided at the bride's brow. For the wedding trip to Carlsbad, New Mexico, the bride chose a dark orchid suit accented by a white fur hat and white gloves. She carried a bag to match and wore slippers of dark orchid. Her corsage was a white orchid.

The couple is at home at 2101 First Avenue, Apartment 1, Canyon.

Mrs. Brandon is a graduate of Canyon High School and of West Texas State College. While in college she was a member of Delta Zeta social sorority, Phi Gamma Nu business sorority, and Pi Omega Pi, honorary business fraternity. She majored in business education with a minor in English, and is now teaching in the Happy School System as business instructor and English teacher.

The bridegroom is a graduate of Canyon High School and has served for four years in the United States Navy. He is now a junior at West Texas State College, is majoring in accounting, and is presently employed at Davis Insurance Agency. He is a member of Kappa Alpha Order, social fraternity, and Alpha Kappa Psi, business fraternity.

Local Couple Has Baby Girl

Mr. and Mrs. V.R. Reynolds are the parents of a daughter, Brenda Caryn, who was born at Neblett Hospital, Dec. 24. The baby weighed seven pounds, twelve ounces. The Reynolds have two other daughters, Sharon Marie and Cynthia Kay. Grandparents are Mr. and Mrs. Joe Reynolds of Canyon and Mr. and Mrs. Henry Rater of Bellevue.

Mr. and Mrs. Bill J. Pegram and their children of Westcliffe, Colorado, spent Christmas in the home of Mrs. Pegram's parents, Mr. and Mrs. Tom C. Gooch, Sr.

Mr. and Mrs. Delbert Turk and Leigh Ann visited in Childress during the Christmas holidays with their parents, the Tracy Turks and the W. T. Ricks.

CANYON CLUB MEETS

Canyon Mother-in-law Club members will meet with Mrs. C. W. Dunn, 1800 Fourth Avenue, Thursday, January 11, at 2:30 p.m. Co-hostesses will be Mesdames O. B. Vaughan, Laura Hutton, Nancy Waldron and W. J. Stewart.

Christmas Dinner Is Held in Dumas

Forty-nine attended the family reunion held Christmas Day in the home of Mr. and Mrs. I.M. Cummins of Dumas. All of the Cummins children were present except Mrs. Bob Hassal of Tulsa, Oklahoma. A buffet dinner was served at the noon hour.

Attending from Canyon were Mr. and Mrs. Aaron Cummins and children.

Church To Hold Special Service

The Holy Rite of Ordination will be given on Sunday morning to Mrs. Robert A. Neblett, to Robert Burton who will be ordained as Ruling Elder, and to Elton Cox, Mrs. J. D. Barker and Arch Hunsley, who will be ordained to the Diaconate. Administering the Ordination will be the Reverend John Lars Hamerson, assisted by the Session of the First Presbyterian Church. The Holy Rite will be conducted during the 11 a.m. service.

Previously-ordained, and being installed in office, will be Hatcher Brown, Charles Wright and Lee Foster, as Ruling Elders, and Truitt Hulas as Deacon. "The Man Of God's Own Choosing" will be the Ordination Sermon which will be presented by the church's pastor.

Saturday night and the White Deer quintet edged the Eagles 45-42 to even the season's playing record between these two teams at two-all.

In their first encounter with the White Deer Bucks, the Eagles whipped them 51-49 in the West Texas Tournament Championship game. The next time around, White Deer squeezed past the Eagles in an overtime 53-51 in the Tulia Tournament and then Coach Allen Simpson's team came from behind to beat WD in a battle played there 47-40.

Coach Simpson's ailing charges had beaten Gruver the night before 61-50 but looked unimpressive in this win. For the last week, three of the players have had colds and have looked sluggish on the court, which definitely have affected the Eagles' playing ability. Both Bob Begert and Warren Rutherford have slipped in average number of points scored. Begert is now 14.8 and Warren 12.4 for the season. Earlier, Begert had a 15.4 points per game high, while Warren reached 13.1 points per game

(Continued on page 11)

BOB BEGERT gets tripped up while attempting a jump shot against the Gruver Greyhounds Friday night. The Eagles won the game 61-50. In this shot, Gruver player Sturman trips Begert and fouls him. Bob made both of his free throws and racked up 10 points against the Greyhounds, although he didn't play the complete game because he had been sick earlier in the week.

Final Game With Littlefield Tuesday Before District Foe Tulia Jan. 12

Preliminary work for district play will be completed Tuesday night with Canyon's last non-district game, which will be played against Littlefield there. However, the Eagles will play tough Dumas tomorrow night there in a contest slated to give them more trouble than Littlefield.

Up to now, the Eagles have posed a 12-9 record in a tough non-district schedule. This gives them a .571 percentage in non-district play. However, the Eagles have played tough teams, losing to AAA Plainview once and tough Borger twice. They have also lost games to AAA Hereford twice and once to Dumas. Other losses came from Panhandle, and twice to White Deer.

On the other hand, the Eagles have beaten White Deer twice, whipped AAA Phillips twice, won the West Texas Tournament and placed third in the Plainview and Tulia Tournaments.

All this preparation with tough basketball teams should pay off in district play, which starts Jan. 12 with Tulia in a game here.

In their latest outing, Canyon barely squeezed past the AAA Phillips team 52-51.

The Eagles trailed 46-50 with 30 seconds left and Warren Rutherford dropped two charity tosses through the baskets to cut the lead to two points and then the Eagles began a press. Richard Green intercepted a pass and threw the ball to Warren Rutherford who made a jump shot count for two points.

Harry Lisle fouled Adkins with seven seconds left in the contest, and Adkins made his first shot but missed the second one. Warren rebounded and was fouled. He made both his shots and Canyon led 52-51 with only five seconds left in the game. Phillips got a shot off, but missed and Canyon won their twelfth game.

The Eagles were behind one point at the end of the first quarter in this fouling contest. Officials called 26 fouls against Phillips and 22 against Canyon.

for a total of 48 fouls.

The Eagles tied the score at the end of the first half 27-27 and trailed by two points 42-40 at the end of the third period. The fantastic drive in the last 30 seconds pulled away a victory from the Phillips team.

Bob Begert hit for 16 points to tie for high point honors with Gray of Phillips. Ronny Harris and Warren Rutherford both hit 13 points, while Wayne Rutherford scored five, Harry Lisle, three; Richard Green, one; and Jim Whinnery, one.

Spending Christmas Eve with Mr. and Mrs. Clem Dugan were their daughters, Mr. and Mrs. Hermie Rogers of Amarillo, and Annette of Sunray; and their sons, Mr. and Mrs. Bill Dugan and family and Mr. and Mrs. Roger Dugan and family of Canyon.

Eaglettes Drop Two Games During Holidays

The Eaglettes dropped two more games during the Christmas holidays, losing to the Gruver squad 36-17 and to White Deer 44-29.

This makes their record at 5-12 for the season and the Eaglettes play their last non-district game Jan. 2 at Clarendon. On Jan. 12 the CHS lassies begin district play with Tulia here at 7 p.m.

In the White Deer contest, the CHS team couldn't hit the baskets the first half, then it was too late for the White Deer team had their commanding lead. The Eaglettes scored two points in the first quarter and then in the second stanza managed to make one field goal for two more points. At halftime, the visiting White Deer team had a 24-4 lead.

The Eaglettes then came back the last half and scored 25 points to 20 points for the visitors. If they could have found the range the first half, the

Eaglettes stood a good chance of winning the game.

The score was 36-13 at the end of the third canto and in the last period, freshman Kay-dean Barnard hit 14 points, three field goals and eight free throws. Thirty-six of the White Deer points were scored by Moore. She hit five field goals and 26 free throws to be top scorer of the game.

In the Gruver game, the Eaglettes scored three points the first quarter, three points the second period, three points the third quarter and six the last stanza for 17 points, while Gruver scored ten points the first quarter alone.

At halftime the score was 16-6 in favor of Gruver. Barnard was high scorer for the Eaglettes with six points.

Mrs. W. I. Wester visited with her son, Randall Wester and family, during the holidays.

NOW...DRYCLEAN

DOUBLE GUNN STAMPS TUESDAY AT BELLAH'S

Bufs Play Toughest Loop Squad Tonight

All has been practice up to now, but the West Texas Buffaloes place their blue chips on the conference table tonight when they challenge the strong Arizona State Sun Devils in Tucson.

Going into this contest, the Buffs have an unimpressive record of one win against nine losses, while last year's co-champion Sun Devils have posted a 7-3 record this season. Arizona State only losses have come from Indiana 94-88, Minnesota 70-68 and Utah 102-89. Earlier the Sun Devils had beaten Utah.

West Texas will have to pull some fancy tricks out of their magic bag to beat the strong Sun Devils, especially on Arizona State's homecourt. This game will be the opener in Border Conference play and most experts are picking the Sun Devils to run away with the conference, so the Buffs will have a hard time.

West Texas finally won their first game of the season against North Texas University 85-80 Saturday night in a game played in Canyon.

Coach Metz LaFollette, with his heavily studded sophomore basketball team will then play Arizona in a non-conference game Saturday night before returning home to host Hardin-Simmons Jan. 13.

LaFollette will probably start Jim Curtsinger, Sonny Blankenship, George Scott, Frank Schaffer and Scottie Pierce. Curtsinger and Blankenship are seniors, while the other three starters are sophomores.

Last week's standings for non-conference games shows Arizona State in second place with a 7-3 record, closely behind up-start Texas Western with a 6-2 record. New Mexico State is even with a 5-5 record, Hardin-Simmons next with a 4-6, while WT is in the cellar with a 1-9 record.

In the North Texas game the lead changed hands many times and at half, the Buffs were ahead 40-37. At one time during the second half the WT quintet lead by 12 points, 59-47, but the NT Eagles applied a full-court press and the lead changed hands. North Texas held a 70-63 with 6:53 left in the game.

The lead changed hands several more times and the score was tied at 78-78 with 1:31 left.

Steve Slagle sank a field goal and George Scott made two free throws to give the Buffs an 82-78 lead. From then on, WT controlled the backboards and the game.

WD EDGES

average.

Although the Eagles hit 36% of their shots, they were held to 16 field goals while the Bucks made 20 FG. The Eagles hit ten charity tosses to five for the WD quintet.

The Eagles led the first three minutes of the game, but White Deer got hot and made five field goals while holding Canyon to two FG. The score at the end of the first quarter was 16-10 in favor of the visiting White Deer squad.

After their early lead was lost, the Eagles couldn't seem to recapture it, although they closed the gap to two points four times and to one point on two different occasions.

The score at halftime was 25-22 in favor of white Deer and 37-34 at the end of the third stanza.

In the final stanza, WD got a five point lead and tried to play ball control but the slippery Eagles stole the ball once and Lisle got fouled. He made two free throws to narrow the scoring lead of the Bucks. Then Wayne Rutherford made two charity tosses and the Eagles were back in the game, trailing by a lone point and with 4:24 left in the game. White Deer continued their delaying tactics and with 2:28 left, Thurmond drove in for a lay-up.

With 43 seconds left Thurmond broke in once again for another lay-up shot to give the Bucks a five point lead and to ice the game. Begert scored on a field goal and Wayne Rutherford made two charity tosses, but Russell added another field goal to give the Bucks a three-point victory.

In the Gruver battle, both teams commanded the lead several times the first half, but the Eagles pulled ahead in the third stanza. At halftime the Eagles had a one-point lead, 28-27, but made it 13 points by the end of the third period, 51-38.

Wayne Rutherford hit 19 points to tie for high pointman honors with Sturman of Gruver. Brother Warren was close behind in the scoring race with 16 points. Other Canyon players who scored and the amounts are Bob Begert with 10 points; Harry Lisle, seven; Ronny Harris, four; Richard Green, three; and Don Brietling, two.

Boxers Win Three Fights

Canyon boxers won three of four matches they entered at Shamrock last Saturday night. These same pugilists will fight at Dee's Boxing Club in Amarillo this Saturday against the Pampa Optimist Club.

In the Shamrock fights, 85-pound Tommy Thompson, 135-pound Ronny Brock and 147-pound Zeke Clements won fights in their matches, while David Thompson lost his fight in the 83-pound class.

The Canyon boxers plan several more preliminary fights before the Golden Gloves in Amarillo Jan. 31, Feb. 1, 2, 3 and 5.

Harry Lisle, junior, is one of the better ball handlers in district 1-AA. He steals the ball from opponents with ease.

B Team Loses To Phillips

The Canyon "B" team lost to Phillips' "B" squad 37-34 Tuesday night in a contest played in Phillips.

The hometown boys tied the score with Phillips in the first quarter 13-13 and led by three points at halftime, 22-19.

Phillips went ahead by one point at the end of the third period and added two more points the last quarter to beat Canyon's "B" team by three.

Glenn Metcalf made ten points and Don Bretling pushed nine points through for the Canyon squad.

Freshman Team Wins 34-23

Canyon's freshman girls team evened the score with the Clarendon team Tuesday night by whipping them 34-23 in a game played there.

The Canyon ninth graders took a 15-9 first quarter lead and then a 24-12 halftime lead. Canyon was ahead 31-15 at the end of the third stanza.

Top scorer of the game was Andy Lair with 15 points, while Jan Jarnigan was close behind with 12.

Eaglettes Drop Another Game

Canyon's Eaglettes dropped a game to Clarendon 49-28 Tuesday night in a game played there. This was loss number 13 against five wins in non-district play.

Clarendon took the lead and the Canyon lassies couldn't catch up. The score at the end of the first quarter was Clarendon 15, Canyon 6; while halftime score was in favor of Clarendon 23-16. The score was 35-19 at the end of the third period.

Kathy Hinger and Kaydean Barnard were top scorers for the Canyon girls with nine points.

The Don Briggs family observed Christmas holidays with relatives in Wellington and Shamrock.

Rev. and Mrs. J.W. McCulley spent Christmas vacation days with relatives in Floydada and Oklahoma.

Spending Christmas in the home of the Carl Ellisons were their daughters, Mr. and Mrs. L. W. Ralston of Amarillo, and Mr. and Mrs. Glenn Dorris of Canyon, and a son, Curtis Ellison, Amarillo.

Visitors in the home of Mr. and Mrs. Edgar Robinson during the week were Mr. and Mrs. James LaCour and family of Trinidad, South America. They were on their way to California to make their home.

Mr. and Mrs. R. B. Allen and daughters, Linda and Janice, spent the holidays attending a family reunion in Palestine.

Mrs. Rae M. Walters spent the holidays visiting in Palo Alto, California, in the home of her daughter and her family.

Mr. and Mrs. Floyd Montgomery and Ona Mae McMurray visited their brother C. L. McMurray and family of Tucumcari, N. M. on Christmas Day.
